SAVE

Dear April,

In some ways I wish we had gone to high school together but I fear that if we had gone to high school we wouldn't be engaged right now. When I think of that I'm glad we never went to school together.

You're rare for such a young lady. You're considerate, kind, helpful and most of all - fun just to be with. I've looked quite a while for someone like you and ~~I~~ now I can honestly say "God does answer prayer and helps dreams come true." You're a beautiful person and because of who you are and what you are inside I have grown to love you very much.

In April you accepted my invitation of marriage and next May will become one. I never thought I'd get married but you're so special and different from the rest that I knew now that God's plan for my life is to marry you.

I hope I can live up to your inner ~~I~~ expectations of me and make you happy for many, many years to come. I really love you April and I'm really looking forward to calling you my wife, April S. Baker.

Love Always,  
George

# SCENES OF

From the majestic mountains to the open sea, to the confines of the classroom, we have been influenced by the San Diego environment and its culture. San Diego has a little more grace and a little more leisure. The climate, pace, and life style here all come closer to what people think Southern California should be. As a dedication to "America's Finest City," this year's El Portal staff has chosen to preserve in words and pictures the beauty of the San Diego experience.

# SPIRIT IS HERE

Homecoming was an exciting event this year at Point Loma high. Students dressed in 50's apparel, and were all in high spirits for the day ahead. During lunch the students challenged the teachers to a football game, students winning 7-0.

At 2:30 Point Loma's Varsity football team played the Crawford Colts. It was one of the most intense games of the year when the Pointers fought till the last second to win the game 14-7. Halftime was filled with entertainment. The marching band directed by Mr. Crick, filled the stands with delightful tunes; followed by floats constructed by our well organized clubs.

Students "Danced the night away" when the band, OZ, filled the gym with music from 8:00-11:00. The event will be well-remembered to all.

# A SPECIAL BUNCH

Packing all of Point Loma's student body into the gym for an orientation assembly, was the beginning of the ASB activities for the new year. Brevity of the meetings was stressed and Ranger Rick's PB&J sandwiches were traditional. This year's activities included the restocking of the ASB store, stag dances, the Variety show and the Cashai dancers. The ASB also learned the value of the dollar does not go far.

# COUNTESSES

Point Loma's Countesses had another successful year beginning with a visit to University Hospital, a homecoming float and a formal initiation. Other projects included the annual Christmas Bazaar, fund raising sale, Easter visit to Schweitzer School, and Sophomore Tea for prospective members. The club was under the new direction of Mrs. Patricia Ladd and was assisted by Mrs. Davis.

# POINTER HITS THE PRESSES

Point Loma's 78-79 newspaper staff was composed of several experienced returnees, as well as many new journalists, thus creating an innovative, yet organized periodical. New features included "On The Point" and "Your Sun Signs." The busy year was filled with ever-present deadlines, but the artists, photographers, reporters and editors enjoyed their collaborated efforts. One of the various activities in which **POINTER** participated in was a tour of the San Diego Evening Tribune building, where the group photo was taken.

# EL PORTAL COOLS OFF

## AFTER A LONG SWEAT

Layouts, photography, copy, developing prints, and paste-ups are all a part of producing a yearbook. This year the El Portal staff spent many dedicated hours of sometimes tedious work in order to meet our printer's deadlines. New approaches and creative ideas were attempted by the staff in hopes of a well received book. Most of the members were new to the class this year but under the guidance of the advisor, Mr. Wallace, and editor, Kathie Landis, the staff produced an excellent book. It was the staff's hope that this year's El Portal would capture the unforgettable thoughts and feelings of your high school years and preserve these life-long memories for many years to come.

# NAME

Autumn Band Review started a parade of activities for the band this year including three concerts at school, a concert tour in Los Angeles and three halftime shows during football games.

Playing at open house and during an hour lunch were some of the highlights during the first year of a full jazz ensemble. There are eighteen talented students in the jazz ensemble this year.

Eight students make up this year's orchestra. Although the numbers are small the instrumentation is excellent. This year's orchestra has also put together a community orchestra which anyone can get involved in.

The music department had a great year thanks to Mr. Crick who directed all three groups.

These proud youngsters in uniform bear the insignia of one of the United States' most respected institutions. Rated best overall in this Naval District the students have the chance to explore naval history, oceanography, electronics, seamanship, ship construction and operation. Point Loma prides itself in its academic superiority, and the strength of the California Scholarship Federation proves this. One of the largest clubs at Point Loma and advised by Mrs. Fowler how could they go wrong?

Activities included the annual trip to Disneyland, the wild bashes where members gorged themselves on munchies and beverages, and the usual speakers.

Two candidates for the coveted Seymour Award were Amber Theilacker and Conrad Olson. CSF is a good indication of where Students at Point Loma are and where they are going.

The 1978-1979 film club led by tiger Zieger consisted of film freaks and their friends. They started out the year by having a "Sunday Night at the Movies" and sampling every pizzaria after the shows. Then, led by Mark Albrecht and Steve Matchinske they built the incredible deathmobile for their homecoming float.

Next they headed up the coast to Magic Mountain. As tradition follows they held another spaghetti feast. And for the first time the freaks of film club got together in the 1979 variety show. Dave Ferreira and Chris Lippert created "Gigot de Flambee Bombee," a dessert from the film "Who's Killing the Great Chefs of Europe."

# FRENCH, GERMAN AND LATIN

The French Club made its debut this year. Members had at least one year of French with interests in increasing their conversational French and learning more about French culture. Some of the activities were tongue-tantalizing dinners at French restaurants, and at a potluck members were able to share their gastronomic delights. Lectures and films kept everyone on his toes and discussions usually followed.

In retrospect the club's first year was magnifique, n'est pas?

Members: Pictured—Holly Armstrong, Joyce Miller, Karen Wyley, Janet Zaitz. Not shown—Sara Nichols, Erin Hale, Cheryl Benham, Michael Cruz, Cindi Wheeler, Vicki Wagner, Lori McFarland, Amy Wolkoff, Brian Van de Wetering, Lisa Oberg, Claudine Taylor.

The German Club has become a tradition at Point Loma over the years. Sponsored by the dynamic Ed Leon and with an active membership of not only German students, but anyone else interested in learning about German culture and having some fun at the same time.

The members continued selling roses to a receptive student body and faculty. Sausages also made the scene and along with money gave the club a fragrant air. The money will help to send a deserving student to Germany this summer.

No toga-clad students were seen trampling across campus this year, but the Latin Club made itself evident in other ways. Members carried a huge banner in the Homecoming parade. They hosted the second annual Roman Banquet where members and guests feasted on not only grapes, but various other delicacies as well.

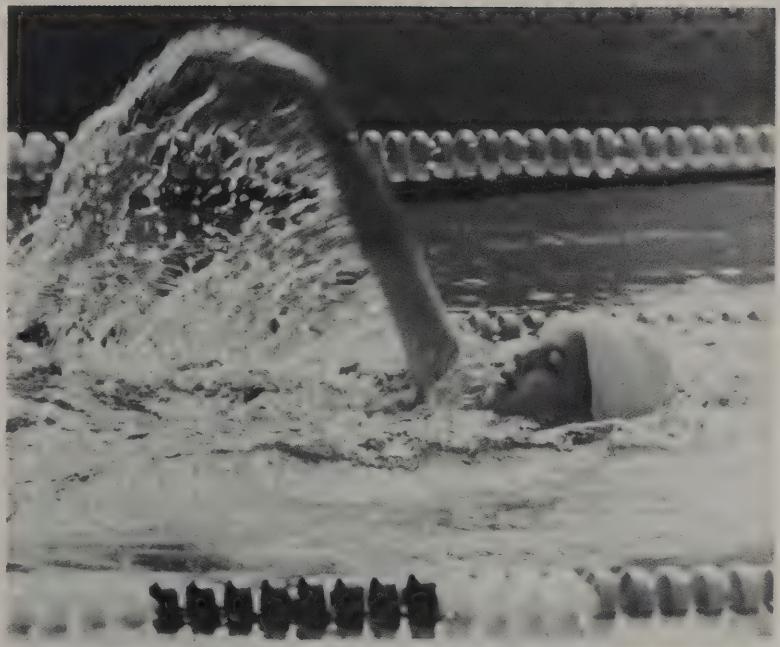

Known formally as the Junior Classical League they are a member of a national chapter of the same name. Members are not required to speak Latin since no class at Point Loma offers instruction in the language presently, but all members are interested in the subject and related activities.

The Fighting Pointers opened Varsity play with a defensive battle against the La Jolla Vikings. In the traditional "Shoe" game the Pointers and Vikes fought to a 0-0 tie in a game marred by penalties and turnovers on the part of both teams. Shawn Moonan and Sal Giacalone stopped the Vikings' drives late in the first quarter and early in the second. The defense was led by Peter Reeb and Cecil Espy in the backfield, while Bob Pursel and Jay Hibert stopped the Vikes' running attack.

## Pointers 7

The Pointers went into their second game with Mira Mesa who ranked eleventh. Offense came back after Mesa's first score with a two-yard wedge led by the "Dog Line" and Todd Tornay who carried the ball in for the score. The entire defensive unit played an outstanding game. Leading the team were linemen Pat Hood and Ron George. "Hard-Hitting" Linebacker Chris Lippert held Mesa on the ground, while Peter Reeb and Clark McLaine stopped them in the air.

The first quarter of the game the offensive linemen, Pat Hood, Chris Lippert, Mike Cash, Dave Boyer and "Big" Steve Matchinske, ran over the Warhawks, allowing Willie Smith to gain a total of 77 yards and three touchdowns, which gave the Pointers a 27-6 lead at the half. The defensive squad also had its moments, leading them were linemen Ronald George and Rover Back, "The Italian Stallion," Sal Giacalone.

Taking on the Patriots for their second league game, the "pack" looked strong as they returned the opening kickoff for 80 yards. The offensive line had one of its best games with Chris Lippert and Dave Boyer leading and blocking the sweeps. They were anchored by Pat Hood and Steve Matchinske at tackles and Michael Cash at center. The defense played a good, hard game but mental mistakes marred their performance.

In the Pointers' first night game of the season, the offense had a great time against the Chieftans. Quarterback Todd Tornay scored two touchdowns from short range and Shawn Moonan added the final Pointer score on a 72 yard run off of a statue of Liberty play. Anchoring the Pointer defense were linebacker Chris Lippert and defensive end Mark Albrecht who smashed the Chieftans while linemen Pat Hood and Gary Grusberg stopped the Chiefs rushing attack.

**Pointers 21**

The Pointer offensive line started out in top form. Shawn Moonan had an outstanding game both offensively and defensively. The offense put in a super effort against the Tigers' # 1 defense in the county. Despite the 52 points against the Pointers, there were many good individual defensive performances by Larry Morgan, Steve Gustafson, and Peter Reeb.

**Morse 52**

**Pointers 26**

In the Pointers' seventh game, they went head to head against the Kearny Komets. The Pointers had few problems offensively against the Komets. The game winning play began with a 60 yard kickoff return by Shawn Moonan. Henry Payton scored from close range with 57 seconds left in the game to give the Pointers a victory. The linemen who provided the way for Payton were, Pat Hood, Steve Matchinske and Mike Cash. The defense also had a super game to contribute to Point Loma's first victory over Kearny in 12 Years.

**Kearny 22**

**Pointers 14**

In the 1978-1979 Homecoming game the Pointers faced the Crawford Colts. This was the first Homecoming victory in three years. In the final seconds of the first half, Todd Tornay connected with Mark Albrecht for a tie at the half. Henry Payton had a super game and scored the winning touchdown with a 25 yard run. The defense was outstanding and had the support of many fine individuals. Larry Morgan, David Ferriera and Peter Reeb are just a few who had a great game against the Colts.

# THE GATES OF VICTORY

This year's Junior Varsity team finished the season with a 3-6 record. The Pointers showed a winning determination rarely seen in other league teams. First string quarterback Bill Hunyady executed many fine plays with pass plays to receivers Jay Hibert, Dennis Servantes, Pete Harris and others, or with ground plays to running backs Paul Duin, Casey Mygrants, Greg Tweed and offensive team captain Glenn Hickey. The offensive line was a success thanks to such players as Jim Akdrige, Ben Milaim and Bret Burke.

The defensive team was exceptional. Players Tom Prokup, Scott Rusk, Joey Reddick and defensive team captain Doug Jehl gave outstanding performances along with the rest of the team. A strong force indeed.

The team worked well as a whole and through gaining valuable experience, most players look forward to next year's season to combine their talents once again.

# JUNIOR VARSITY

The Point Loma Girl's cross country team had a rough time this year. The competition was tough and they had a small team. But with the help of freshman Kyle Silverman, first year varsity Debbie McBride and returning senior Karen Powell, they finished with a record of 4 wins and 3 losses, finishing in 5th place country and 7th in the C.I.F finals. Since more than half the team will be returning, next year should be more successful for the team and coach Allen Peterson.

Point Loma's Girls' Tennis team put out a strong effort this season. But stiff competition and inexperience in the ranks of the new talent led to a third place finish. Seniors Eve Melman, Lise Haynsworth, Julie Albares, Kathy Kelly, Nancy Stone and Lauren Ledbetter showed the way for the younger members of the team. If the sophomore talent this year is any indication, next year's team should be tough.

For her special effort, enthusiasm, and skill, Janice Nerger was chosen the most outstanding player by her teammates. Through dedication, determination, a positive mental attitude, and giving more than one-hundred percent, the team finished the season with an impressive 10-2 record which placed them second in the league and qualified them to compete in the CIF Championships. With many players returning, next year's Badminton Team will prove to be equally exciting and competitive.

The beginning of the 1978-1979 season for the Point Loma basketball team looked grim. But in the first few games, Brad DeGroote proved his shooting ability, giving the team spirit and confidence. The second annual Point Loma Classic tournament was held over the holidays, with P.L. ending in a three-way tie for first. This year's female runners proved to be a success with one of the highest participations ever. Because they didn't have their own coach, they had to work along side the boys. Fortunately they were organized by manager Maureen Foley. The long distance runners were privileged to have Eleanor.

Coach Leo Casias scheduled the girls to participate in other meets besides league competition. Such as: Sundevil, Mt. Sac, and Elsinore. Field competition looked as good as the runners this year. Super standouts in both categories were Alicia Collins, Naomi Armour, Karen Powell, Charlie Terrell, Tami Androff, Diane Crivello, Myra Hildebrand. Although competition is high in the Eastern league the female tracksters will always be one stride ahead.

# A STRIDE AHEAD

# SPIKERS SET

Back Row: David Sheeron, JT Alex, Eric Spore, Eric Richter, Rick Stepanof, Tony Stewart, Coach Stepanof. Front Row: John Kelly, Chris Gilbert, Matt Madruga, David Berman, Joel Baranski, Derek Zedaker.

Still not a sanctioned CIF sport, the boys' volleyball team hoped to finish in the finals as well or better than last year's finish. Last year the team placed second in the county finals. Strong support this year came from Joel Baranski and Rick Stepanof. The team had a hard time finding a place to practice after school because of other CIF sports that used the facilities. But with the help of George Stepanof and team spirit volleyball remained as one of PL's top sports.

1. Derek Zedaker spikes a shot.
2. Tony Stewart places his shot cross court.
3. David Berman bumps the ball to the front.
4. JT "catches" Ricky's style.
5. Rick Stepanof stret-c-h-e-s for the set.

# GYMNASTS ROLL ON

With three-fourths of its members being sophomores, this year's gymnastics team was basically a new group. However, the girls showed the enthusiasm and determination that are much needed for success in competition.

In her sixth year as coach of the team, Josie Scanlon gave support and helped the girls improve their skills throughout the season. Senior Kim Parry led Varsity in three events, and Jenny Frazee, Linda Frazee and Leslie Vaughn led Junior Varsity.

Donna Doloszycki, Reseann DeMaria and Laura Lindskoog added depth with their fine all-around performances, and other sophomore stand-outs, Frances Holmes, Jenny Noren and Tami Scillato will be returning to participate in what is expected to be a triumphant season next year.

1. Linda Frazee demonstrates her skills on bars.
2. Leslie Vaughn practices her floor exercises.
3. Marie Pursel in good form.
4. Kim Parry shows grace and agility.

Top Row: Donna Doloszycki, Terry Walsh, Frances Holmes, Jenny Frazee, Leslie Vaughn, Corinna Hall, Assistant Coach Nancy. Middle Row: Marie Pursel, Robin Friel, Kim Parry, Deanne Youngers, Nancy Macdonald, Chantal Cabeen. Front Row: Lorraine Tamayo, Roseann De-Maria, Tami Scillato, Coach Josie Scanlon, Linda Frazee, Jenny Noren, Jamie Stith. Center Front: Laura Lindskoog.

# BOY'S SWIMMING

Mr. Neithold coached this year's swim team. Although small in numbers they had a lot of fire power. All practices were held at the new Peninsula YMCA's swimming pool. All except two of the teammates were on the team before.

1. Gregg Scott, Scott Smith and Tony Drenth.
2. David Norris.

3. Back Row: Coach Neithold and Coach Nelson. Middle Row: Gregg Scott, Terri Welch, David Norris and Steve Rochester. Front Row: Scott Smith, Mark Mairot, Alan Clark and Larry Hendrie.

# GIRL'S SWIM TEAM

Back row: L. Mendez, D. Kalberer, J. Lamont, L. Hutchinson and C. Olsen. Third row: L. Nevara, H. Wachob, N. Luftner, and Coach Nelson. Second row: R. Gallo, L. Krupens, K. Moore, A. Kimball, E. Bennett, A. Graham and S. Hall. Front row: K. Bregman, B. Lyon, L. Henson, P. Greene.

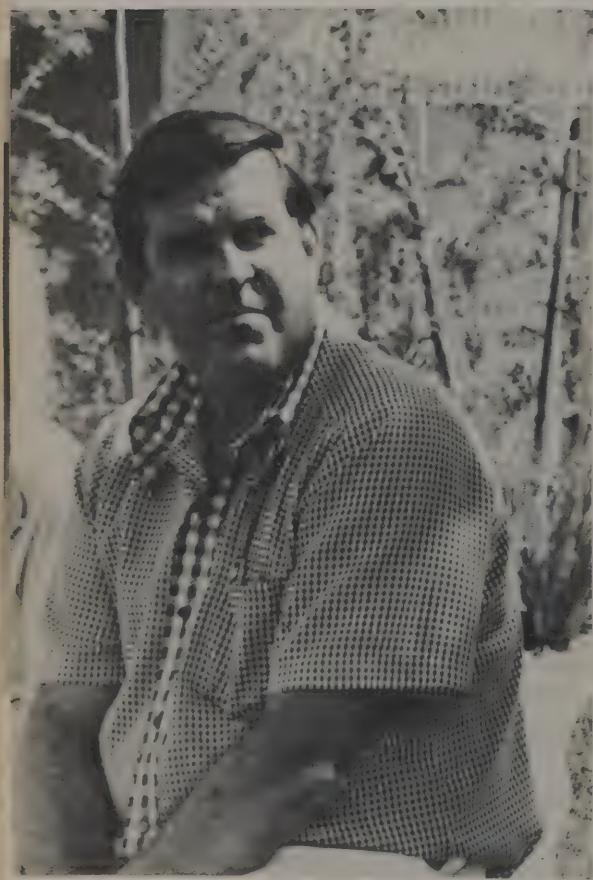

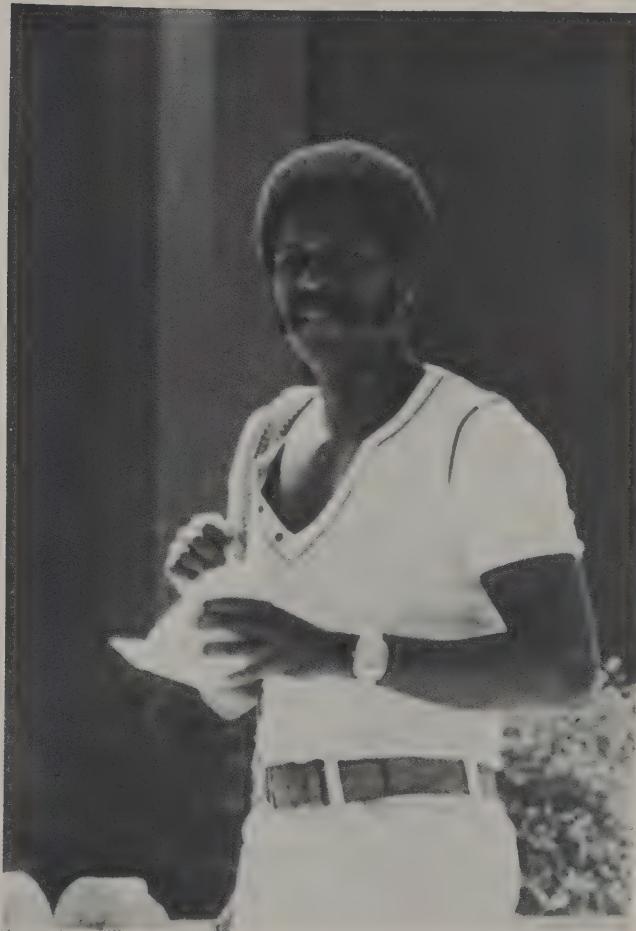

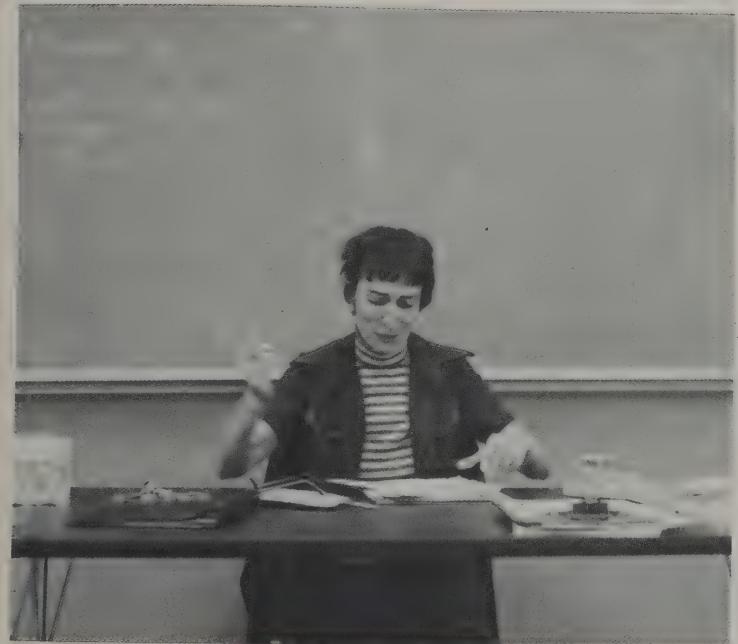

Point Loma's all new girls swim team started out this year with very high placement. The Varsity team received firsts in the Eastern League competition and in the Kearny invitational relay meets. The J.V. team showed good individual performance but the team was too small to fill up all the events in their meets. Hopefully, next year there will be a greater turn out. Outstanding junior, Leslie Mendez, will be competing on a U.S.A. team in the Women's International Cup Meet in Boston in 1979. Hopefully the growing enthusiasm and success of this year's team will keep the team going for years to come.

1. J.V. swimmer Leslie Hensen swimming 50' breaststroke.
2. V. swimmer Sparka Hall swimming 100' freestyle.

# IN MEMORIUM

## MRS. DOROTHY POYNER POINT LOMA HIGH SCHOOL 1953-1978

Mrs. Poyner is remembered by staff and students most for her dedication to teaching, her laugh and tremendous sense of humor.

She was sensitive to the needs of the Point Loma community, rarely missed a day of school, and helped students mature through her English classes.

She was an active member of the Human Relations Committee, supporting activities that helped students interact more positively. She cared and helped students care.

# FUTURE SHOCK

Looking for a part-time job or a college for a special interest? Check the Career Center. Two major areas are stressed in the center—Part-time jobs and college preparation. There are three counselors who are more than willing to help. Also, microfiche readers are available with files full of jobs and colleges. Work permits, ROP classes and college seminars are just a few of the offerings of the Center.

When hunger pains attacked students and rumbling stomachs disrupted classes, who came to the rescue? Those efficient people in the candy store! Many different types of food were sold this year besides bagels. For the health food nuts a new line of carob was added. On those cold December days there was hot chocolate and the warmer days Italian ice was added in a variety of flavors. No matter what your craving, Mrs. Benedict and the candy store kids can solve your problems.

I had an excellent 3 years at PL. I learned about going out with a girl and having the best times

of my life. The kind of time where your so happy, that nothing can change it. Sometimes I can't see how strong feelings disappear. I think you should just make the best of things. You know you have to realize that there is some bad in the world, and things go wrong, but you don't have to let it get you down.

# B.OF A. ACHIEVEMENT PROGRAM

Started in 1948 the Bank of America Achievement Awards Program is one of the most comprehensive and highly respected student awards programs in the nation. Every year the Point Loma faculty is asked to select their top senior students in each department. The faculty scholarship committee meets in February to choose from these nominations four students to represent Point Loma in the fields of fine arts, liberal arts, vocational arts, and science—math. These students compete with students from other high schools for scholarships worth as much as \$2,000. The zone competition is in March and the finals in May. Each general field nominee receives a handsome plaque which is presented at the senior awards program in June.

In addition to the general field winners, eleven specific field winners are selected to represent each department. These students receive a certificate of merit at the senior awards program in June. These students do not compete further for scholarships.

General Field Plaque Winners (L to R) Conrad Olson—Liberal Arts, David Fristrom—Science and Mathematics, Joyce Miller—Fine Arts. Not Shown—Amber Theilacker—Vocational Arts.

Specific Field Certificate Winners (L to R) Back Row—Brant Hanna, Jim Lightner, Kevin James. (L to R) Front Row—Mark Ring, Maria Statler, Bob Schulman. Not Shown—Brendan Walsh, Julie Halverson, Lisa Castaneda, Jill Reynolds, Steve Gustafson.

# N.M.S. PROGRAM

Finalists (L to R) Back Row—Brian Kindig, Lisa Oberg, Cathy Kline, Conrad Olson. (L to R) Front Row—Kate Gallagher, David Fristrom, Jim Coil, Kevin James. Not Shown—Peter Considine, Chris Miller.

Over one million students enter each year's Merit Scholarship competition by taking the qualifying test—the PSAT/NMSQT at the proper time in their high school program. Students whose scores place them in the top half of one percent of the graduating seniors in their respective states are named Semifinalists. This year at Point Loma ten students qualified as Finalists. These students have an opportunity to continue in the competition for Merit Scholarships to be awarded in April of 1979.

Seventeen students at Point Loma have been designated as Commended students in the 1979 Merit Program based on the same test. Every Commended student attained a nationally applied Selection Index score of 177 or higher—but below the qualifying Selection Index score required for Semifinalist standing. Although Commended students do not compete for Merit Scholarships, they have demonstrated exceptional academic promise.

Commended Students (L to R)—Lori Davidson, Charles Harris, Jim Lightner, Tom Shapiro, Mark Saffry, Craig Kaiser, Bob Schulman, Brant Hanna. Not Shown—Jay Cosnett, Chris Cramer, Julie Halverson, Paul Justin, John Lovett, Annette Pollock, Matt Sullivan, Karl Wilhelm, Amy Wolkoff.
